

INSTRUCTIONS

PLEASE READ CAREFULLY

As a retired TRS member who is receiving a monthly annuity under the Tax-Deferred Annuity (TDA) Program, you may file this form to allocate how your TDA funds are invested in any or all of TRS' Passport Funds as listed below:

- Fixed Return Fund
- Diversified Equity Fund
- Balanced Fund
- International Equity Fund
- Inflation Protection Fund
- Socially Responsive Equity Fund

You may change your TDA investment elections four times each year. Such investment election changes are optional; if you do not file this form, there would be no change in the way your TDA accumulations are invested.

Returns for the Passport Funds other than the Fixed Return Fund may vary monthly. Therefore, investing some or all of your TDA funds in the variable-return Passport Funds would result in a fluctuation of your monthly payment amounts. Please see the *Fund Profiles* booklet for additional information on how interest and investment return are calculated for TDA annuity payments.

You may obtain annualized returns for the Passport Funds by accessing our website.

Investment election changes take place on the following dates:

- January 1
- April 1
- July 1
- October 1

You may submit this form at any time and your elections would take effect on the next conversion date that occurs at least 60 days after TRS receives your form. Before we implement your investment elections, you will receive an acknowledgment letter from TRS verifying the election choices you made on this form.

TDA annuitants may use this form to make investment election changes for their TDA funds only. Members with TDA Deferral status may not file this form; they may change their investment elections on a quarterly basis by filing a "TDA Investment Election Change Form" (code TD45). Retired Tiers I/II members who want to change the way their retirement allowance funds in the Qualified Pension Plan (QPP) are invested must file a "Retiree's QPP Investment Election Change Form" (code RP8).

In Part A: Provide all requested information. You should access our website to inform us of any recent or upcoming changes to your permanent address (and/or your phone number). As an alternative, you may file a “Member’s Change of Address Form” (code DM13).

In Part B: You may convert your past TDA accumulations to any or all of TRS’ Passport Funds, in multiples of 5%, over 3, 6, 9 or 12 months. The example below illustrates how to complete Part B if you have funds in the Diversified Equity Fund and would like to convert 20% of your past Diversified Equity Fund accumulations to the International Equity Fund over 9 months. (This is only an illustration, not a recommendation.)

Move this percentage of my funds:	From this fund:	To this fund:	Over this many months:
10 15 20 25 30 35 40	Fixed Return International Equity	Fixed Return International Equity	3 6
45 50 55 60 65 70 75	Diversified Equity Inflation Protection	Diversified Equity Inflation Protection	9 12
80 85 90 95 100	Balanced Socially Responsive Equity	Balanced Socially Responsive Equity	

Please note:

- Improperly completed forms would not be processed and would be returned to you with an explanatory notice.
- The minimum amount that you may convert is 10%.
- In order to convert funds from an investment program (e.g., Fixed Return Fund) you must have funds available in that investment program.
- Once started, conversions cannot be stopped.
- One program cannot simultaneously be both the source and destination of a conversion. For instance, you cannot convert funds from the Fixed Return Fund to the International Equity Fund while you are converting funds from the International Equity Fund to the Inflation Protection Fund.
- The total percentage you convert from any one investment program may not exceed 100%.

In Part C: You must sign and date this form.
